

KHS Academic Booster Club Mini-Grant for Academic Enrichment

All students of Kingsford High School who wish to pursue enrichment opportunities that will benefit them as leaders, students, and/or citizens can complete this application and attend one ABC meeting to answer questions about how they intend to use these funds to benefit themselves and their school community. This might be a leadership camp, Boys' or Girls' State, a music academy, hotel costs related to a college tour, summer art school, etc. The mini-grant is not to exceed \$500, but if additional funds are required and money is still left in the yearly allotment for the ABC mini-grants, students can petition for additional funds.

Students must complete the following application in its entirety and bring the application to a monthly Academic Booster Club meeting to present their application to the club. All ABC meetings take place at 4:00 on the second Monday of each month. Students should complete the application and attend a meeting at least a month prior to the event in which the student wishes to attend to allow for time to review and provide payment. Please contact ABC President, Mrs. Renee Lindholm, for more information.
